Planning & Zoning

June 18, 2024 5:30 p.m.

- 1) Attendance: Amy Bannister, Mirl Searles, Mike Johns, Kim Plymate & Don McVay.
- 2) Building Permit for small shed American Legion, being built as an Eagle Scout project. Size is not big enough to need a permit, but because they are considering attaching it to a already existing cement pad that needs a permit. McVay made a Motion, Seconded by Plymate to approve the shed. All voted "Aye". Motion carried. Searles made a Motion, Seconded by Bannister to waive the fee. All voted "Aye". Motion carried.
- 3) Discussion about the Cemetery and its need for better care.

Also discussed Sacora asking about requirement for a fence around the pool. We don't have that in our Ordinances so suggest they ask their Insurance about what they require.

Amy Bannister turned in her book and this is her last meeting. Thank You Amy for your service and support of your community!

- 4) McVay made a Motion to adjourn, Seconded by Plymate. All voted "Aye". Motion carried. Adjourn 6:00 p.m.
